# Legal Disclaimer

## Legal Disclaimer

“An important reminder is that all activities need to comply with applicable antitrust and competition laws. There should be no discussions between competitors enabling agreements or concerted actions that restrain competition, including the exchange of confidential information that enables competitors to engage in illegal concerted action. Moreover, participation in WheelNext activities does not commit any participant to use any specific technology, restrict the use or sale of any technology, or otherwise limit any participant’s ability to engage in similar activities with others. If you have questions about these matters, please contact your legal counsel for advice.”

**No Confidential Information will be and should be discussed !**
